PUBLIC NOTICE

EXISTENCE OF A FRAUDULENT IMMIGRATION NETWORK TO CANADA

The High Commission of Cameroon in Canada wishes to inform the Cameroonian community and the general public that, through certain social networks, ill-intentioned individuals are extorting large sums of money from Cameroonian nationals in exchange for the promise of a work permit and a visa to enter Canada.

These highly reprehensible acts are part of a network of swindles designed, through false promises, to lure people into immigrating to Canada.

The High Commission of Cameroon in Canada strongly condemns this abuse and assures that it is neither directly nor indirectly associated with this fraud.

It urges everyone to make their relatives aware of the existence of this fraudulent network and to be vigilant. The High Commission also stresses that all official documents allowing entry into Canada are issued by the relevant Canadian institutions, which also have dedicated websites providing the public with all the relevant information.
